

## 2025 CLUB CHAMPIONSHIP POINT SCORE REGULATIONS

1. Financial membership of CHKRC must be in place at each round. All financial members can accumulate points in the CHKRC Championship at each eligible race meeting.
2. Points are awarded across 6 championship rounds as advised in the CHKRC calendar. The driver's best 5 rounds for the year will be recorded for their corrected points over the championship rounds. This will allow members the ability to drop or miss a round whilst still having the ability to compete in the championship.
3. If the published number of rounds cannot be run, championship points will be awarded across the number of rounds run and 1 round will still be dropped.
4. If a draw of points occur in the corrected points at the end of the championship, the member with higher overall points (dropped round points added back in) will be considered the winner of that championship. If still drawn the competitor that raced against the most competitors (in their point scoring class) will be considered the winner.
5. Points will be awarded as per the table on the point score spreadsheet and encourages competitors to be part of a well-attended class. Points will be awarded for a driver's finish position as determined by the results of the meeting (non-club members will not be removed from results).
6. For a member to be eligible for the class championship or club champion, each member must dedicate one FULL day's work to the club+ TWO full working bee days. Parents, friends or guardians may work on behalf of any driver by simply nominating their efforts to the driver when completing their duties. The recognition of one day's work will be at the sole discretion of the Club President and a deadline of the date of the final round to be run in 2025 shall apply.
